Night

### Seattle Night Tour

We will firstly head to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Following, we will visit Starbucks Reserve Roastery and Tasting Room. It is more like a modern coffee factory. Here you can witness the whole process of unsealing and baking the original coffee beans. You may order a cup of the most creative coffee, or enjoy the latest Starbucks products. The final stop is Kerry Park where you can have a panoramic city view of the entire Seattle. It is a perfect location for photography! In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race.
